## Lake Worth Squad Meets Devils Tonite

The Pahokee Blue Devils, at present sharing the second rung of the Suncoast Conference ladder with the Clewiston Tigers, will try to topple the Lake Worth Trojans, undefeated to date in conference play, from the top rung as the two league leaders battle it out on Lair Field here tonight, (Friday) starting at 8:15.

Last year the Trojans and the Blue Devils were frustrated in a 20-20 deadlock and this year's contest promises to be equally as close, with victory probably determined by the breaks in the game.

Coach Jeter Barker's Trojans showed their potential strength last Friday when, with half the squad laid up with colds, they breezed through the Belle Glade Rams, 19-0. Their only defeat this year came when they ambitiously stepped outside the conference to take on two Big Ten teams, West Palm Beach and Fort Lauderdale.

Blue Devil Coach Webb Pell has sized up the Trojans as not only one of the strongest elevens in the conference but definitely the best balanced, with a tough, heavy line and a hard-to-stop backfield that is improving with the advance of the season. He has warned his men that the entire Trojan backfield, including Backs Hard Lewis, Harold Hanney, Jerry Listie, Joe Hodges, Marvin Behlke and Tippy Soderstedt have all shown ability in car-

## CP Lions Plan For 3-Day Turkey Shoot

Canal Point Lions at their dinner meeting Monday night made plans to sponsor a benefit Thanksgiving turkey shoot, proceeds to go toward helping to pay the balance due on the new electric scoreboard installed on Lair Athletic Field last month under the joint sponsorship of the Pahokee and Canal Point Lions Club.

The turkey shoot will be held on the Lake Okeechobee levee at Canal Point from 3 p. m. until dark Nov. 22, 23 and 24. President Osceola Upthegrove named Grady Boynton, D. L. Hooks, A. R. Harrington, P. A. Slonaker and Arnold Heldt on the committee in charge of the shoot.

President Upthegrove introduced James W. Vann, a member of the Pahokee Lions Club, who reported there is approximately \$400 still due on the \$1,400 score board which the Lions installed on Lair Field.

The club voted to donate a Care package of food and clothing to Korean war orphans.

Arnold Heldt, reporting for the sight conservation committee, said that his committee has discovered to date three children at the Canal Point School in need of slight correction treatment and steps are being taken by the committee to help these children to attain normal vision.

### CANAL POINT PTA

The Canal Point Parent-Teacher Association will conduct its November meeting in the school auditorium Monday at 8 p. m. President P. A. Slonaker will preside.

## Pahokee Spooks To Canal Point PTA Is Rampage Sat. Nite Set For Carnival

The biggest Pahokee PTA Halloween Carnival of all time, known as the Blue Devil Halloween Hop Day, will open with the blowing of horns, the sounding of sirens, the twanging of fiddles and the banging of guns in the Pahokee city park promptly at 7:30 o'clock Saturday night. There will also be a splashing of water if the plans of the Senior Class and the Cub Pack 23 to jointly sponsor a water show in the municipal pool are carried through.

Loren O'Neal, agriculture instructor at Pahokee High School and chairman of the booth committee, will be at the carnival grounds with a group of his FFA boys this Friday morning to assist with the building of booths and concession stands. There is one change announced: the plans outlined in last week's issue of The Everglades News. Instead of sounding a siren, a pistol, like the one used by the timekeeper at football games, will be shot to signal the time for the awarding of ribbons and cash prizes to the lucky persons in costume who are purchasing a ticket or some article at a booth or concession at the time the pistol goes off.

This carnival is the only fund-raising project sponsored by the Pahokee PTA during the entire school year.

## J. B. Snyder To Run Pahokee Station

J. B. Snyder announces this week that he has taken over operation of the Standard Oil Station opposite the post office in Pahokee and will offer a high type service to the motoring public. Mr. and Mrs. Snyder have returned to the Lake Region after spending the past five years in Tavernier on the Keys where he operated a garage and filling station successfully.

A complete line of Standard Oil products will be handled at the station, including Atlas tires and tubes and Atlas batteries, along with a small line of accessories. A mechanic will be on hand at all times to do motor tune-up and brake adjustment jobs. The station will feature car washing and lubrication.

The new manager of the station extends a cordial invitation to all of his old friends in the Lake Region to drop by and see him in his new location. Mr. Snyder recently sold his service station at Tavernier but still maintains his garage there. It is operated by his son, Junior Snyder.

Mrs. Ellis Wilkinson, patient at the Everglades Memorial Hospital the past week, was able to return to her home Friday.

Plans for the annual PTA Hal-loween Carnival for the children of Canal Point have been completed, according to J. W. Pepper, finance chairman for the Canal Point Parent-Teacher Association, who heads the committee in charge of arrangements.

The carnival will be held on the school grounds Saturday, Oct. 30, starting at 5 p. m., when the PTA food booth will be opened. Children in costumes are asked to assemble at the school grounds at 6 p. m., with the colorful parade of costumes to start at 6:30.

PTA this year is awarding 16 one-dollar cash prizes in the costume parade, one prize each to the children wearing the prettiest, most original, most comical and the most typical costumes in four

## 4-Laning Of Road 80 Work To Belcher Oil

Belcher Oil Co. of Miami was apparent low bidder to the State Road Dept. at Orlando, Tuesday, in offering to pave about two miles of SR 80 being four-laned on the north side of the busy Glades-Coast Highway from the Seaboard Air Line overpass westerly to Military Trail for \$288,113.

SR 80 has been proposed by the County Commission for designation as "The John H. Perry Highway" the entire length from its juncture with SR-A1A at Palm Beach, to 20-Mile Bend. A resolution from the commission asking such a designation was sent to Tallahassee some months ago and will be submitted to the 1955 session of the legislature in April.

Plans have been laid to four-lane SR 80 all the way to 20-Mile Bend, but the first phase of that project is being done immediately from Parker Ave. to Military Trail (SR-809).

The commission Monday acted in acquiring two of about seven parcels of land needed for the widening. The additional right-of-way needed for the widening on the north side of SR 80 varies from 100 to 140 feet.—Palm Beach Post.

## John Elbon Resigns At Bank Of Pahokee

H. M. McIntosh, President of Bank of Pahokee announced today that John A. Elbon, Vice President of the bank, has resigned his position, effective November 1, 1954.

Mr. McIntosh stated that Mr. Elbon has performed outstanding services to the bank. Mr. Elbon joined the bank in July, 1951. He has not as yet announced his future plans.

## Vet Will Be In City Of Pahokee Today

The Pahokee City Council has made arrangements for Dr. Clarence Kidder, Belle Glade veterinarian, to be at the city hall Saturday, Oct. 30, from 10 to 11 a. m., to give anti-rabies shots to all dogs over six months of age that have not been previously inoculated. This date is also the deadline for the purchase of new license tags for dogs and any picked up untagged or unvaccinated after Saturday will be placed in the city pound. Dogs unclaimed by owners at the city pound will be turned over to the Animal Rescue League.

## Boynton Kiwanians Hear Glades Story

Raising cattle constitutes the fastest growing industry in the Everglades section of Palm Beach County and is the fifth cash industry to come to the vast agricultural area since it was settled. County Commissioner Paul Rardin told the Boynton Beach Kiwanis club Monday night. Rardin in his address delving into Everglades history, the Kiwanians that four other industries preceded the cattle business, namely: catching Indians, egret hunting, fishing and the still profitable vegetable industry.

Other highlights of the commissioner's talk touched on interesting historical facts not heretofore used by him in his civic club addresses. Facts such as the following: St. Augustine was once the county seat of the Lake Okeechobee Region which has been in five counties, Pirate gold was sought on south shore of Lake Okeechobee a few years ago, first steam boat plied the Lake in 1882. These facts and many others made up an interesting talk by the Canal Point newspaperman who has spent several years digging up historical facts about the Lake Okeechobee Region of Palm Beach County.

## Benefit Ball Game To Help Sight Fund

Pahokee Lions at their Tuesday luncheon meeting made plans to sponsor on Lair Athletic Field a benefit football game between the Negro high school football teams of Key West and Belle Glade.

Major Lewis Friend was named chairman of the committee in charge of arrangements and will announce later the date to be set for the game.

The sight conservation committee reported that it was assisting two children at the Pahokee School in need of sight correction treatment.

The club voted to sell light bulbs as a fund-raising project, with Manning I. Keen named to be in charge.

It was reported that a balance of around \$200 is still due in final payment of the \$1,400 electric scoreboard which the Pahokee and Canal Point Lions installed on Lair Field last month as a joint project.

Jack Thoma of New Britain, Conn., is the guest of Mr. and Mrs. Robert Apelgren this week.

## Keen Grocery Sold To The Campbells

Mr. and Mrs. S. L. Campbell, formerly of Sarasota, have purchased Keen's Grocery, 431 Lake Ave., Pahokee, from Mr. and Mrs. Ellsworth Keen and took possession last week. Mr. Campbell, brother of Mrs. W. A. Keen and Mrs. W. C. Darden, was a resident of Pahokee for several months around 18 years ago when he was employed as meat cutter at Keen's grocery. Mrs. Campbell, the former Grace McClenithan, is also a former resident, daughter of William McClenithan of Pahokee. The Campbells and their two children, Eddie and Frances, are now making their home in the Pence residence on Banyan Ave.

Ellsworth Keen is going into a new kind of business as distributor for a newly invented and patented hydraulic track adjuster for crawler type tractors. This new device which greatly simplifies the adjustment of tractor-tracks was invented by Frank Cline, a former member of the Pahokee police force, who has set up a manufacturing plant for his hydraulic track adjuster in Arcadia and his new invention is proving so popular that his small factory is already swamped with orders. Mr. Keen has the exclusive distributorship in the United States for Cline's hydraulic adjustor. While working in this new business he and his family plan to make their home in Pahokee eight months of the year in the fall and winter and in their summer home at Ridgecrest, N. C., four months of the year.

## Tuesday Is The Day To Cast Your Ballot

Five Republicans are beating the drums for office from Palm Beach county in the Nov. 2 election, but it appeared Monday they were confronted with almost insurmountable odds.

Of 56,236 in the county eligible to vote, 48,663 are Democrats.

The Republican registration stands at 7,233, with 350 others listed as independents.

Both Democratic nominees for state representative have Republican opposition. Miss Beatrice M. Propst, local attorney, is the Republican seeking the Group 1 post for which Democrat Fred O. Dickinson, Jr., won the Democratic nomination.

Charles D. Pierce, Jr., of Lake Worth is the Republican opposing Democrat Emmett Roberts of Belle Glade.

One of the county commissioners seeking relection in the general election has Republican opposition. Ben F. Sundy Delray Beach, incumbent Democratic commissioner, will be opposed by Republican George W. Nouse, Boynton Beach.

Elizabeth S. Hand, Delray Beach Democratic nominee for reelection to the school board, has Republican opposition from Hollis A. Hart, of Lake Worth, and Republican James O. Murdock, Jr., Palm Beach, is trying to upset Democrat Gleason N. Stambaugh's bid for reelection as Florida Inland Navigation commissioner.

### Cinematic Chatter

By Malcolm Millar

Hello everybody! Guy Madison parlayed a sailor suit and a scream into a Hollywood career. Guy fondly remembers the sailor suit as the one the U. S. Navy issued him, and the scream was actually the many howls of aboration by bobby-soxers

of the nation when they saw him in his first screen role. Madison came to Hollywood via the covers of a Navy magazine whereupon he looked so photogenic that a talent scout looked him up and invited him to Hollywood during a week-end liberty leave. He was offered an interview with a leading film producer but Madison protested that he wasn't interested in a screen career. Fortunately the talent scout was persistent and Madison, the producer, was signed to appear in a role that was specially written into the script for him and his career was launched. The sailor suit played an important part in Madison's life because he played his movie role wearing his Navy-issue uniform. When the picture was released it was the collective screams of the bobby-soxer brigade that turned Guy Madison into a star in his first role. Thousands of fans wrote to the studio wanting to know who the young sailor was in "Since You Went Away." The studio answered the public by signing Madison to a contract which assured him a starring role in all his pictures after his discharge from the Navy, which was not long in coming. Since that time Madison has appeared in many movies and most recently his career took a forward spurt with his appearance on Television in the role of "Wild Bill Hickok." It was the acceptance by the public for Guy in spurs and saddle that convinced the former California cowpoker that his acting should be confined to the prairie and plains on the theory he is more at home in a saddle than on a sofa. Madison is an expert rider, hunter, fisherman and archer. He was born on January 19, 1923 in Bakersfield, California. See you at the movies—Mal.

## Fancy Prices For First Green Beans

The fall harvest of green beans got under way in the Glades area Monday when Vandegrift-Williams Farms, Inc., of Pahokee picked 3,800 bushel hamper of the tender green variety which were graded and packed at the V-W packing house at Cardwell and were auctioned off on a redhot market, selling for mostly \$6.30 a hamper and up to \$7.10 for one lot. This is the highest price ever paid to Vandegrift-Williams Farms for green beans of the tendergreen variety which are usually sold to canners according to Roy Vandegrift, Sr. The quality of those first beans of the season were fancy and the yield high, averaging slightly below 200 bushels per acre.

Joe Hatton, Chastain Brothers, Unity Farms, Harold Rabin Company, W. H. Vann, Inc. and other Glades growers and packers will be joining V-W Farms in the harvest of the fall crop of beans this week and most bean packing houses in the Glades area will be in operation by the end of the week.

Perfect growing weather since the passing of Hurricane Hazel has made all Glades crops look good and prospects for the fall harvest season are at the present time the brightest Glades growers have seen in recent years. To date Glades growers have escaped the flood conditions that have ruined or delayed their fall crops year after year continuously for the past several years, while drought has caused supplies in the vegetable producing areas in the North to be very short, resulting in excellent prices for most vegetables being offered at this time.

Because of the drought conditions in the North, pole beans, a rare crop for the Glades, are being grown by a few growers this fall. F. D. Snyder started harvesting pole beans in the Belle Glade area last weekend. Mayor Lewis Friend of Pahokee picked pole beans on Monday and Joe Hatton, on Tuesday. Pole beans have been selling around \$5.50 a hamper.

Vandegrift-Williams will start the fall harvest of sweet corn next Monday, however, the acreage planted to the sweet corn crop in the fall is very small as compared to the spring acreage which is tremendous. Chapman and Son of Belle Glade is starting the harvest of greens this week and other leafy vegetables will start moving in volume from the Belle Glade area next month.

This is the earliest and most promising fall harvest Glades growers have seen in many a year and following three money-losing seasons they have high hopes this will be their year.

## Okeechobee Defeated By PHS Blue Devils

An alert Pahokee Blue Devil eleven, minus the services of Halfback Hal Rosenberg who was inactive because of an injured shoulder, took quick advantage of the many mistakes of the Okeechobee Brahmans and overwhelmed the bewildered Brahmans, 60-0, on Lair Field Friday night.

Fumble recoveries and pass interceptions set up most of the Blue Devil scoring with practically all of the backfield and some of the linemen getting into the act of making points. The only time the Okeechobee lads threatened was in the third period when they reached pay dirt via an aerial play only to have the ball carried back because of a penalty.

Pahokee has an overall record of 5-1 and a conference record of 4-1

to date. At present the Blue Devils are sharing second place in the Suncoast Conference with the Clewiston Tigers, but if they beat the Trojans on Lair Field tonight they will be right at the top, since the Tigers are playing Avon Park outside the conference tonight.

## Observer Corps Has Training Alert

A successful training alert was conducted by the Pahokee-Canal Point Ground Observer Corps at the Pahokee observation post Sunday afternoon, according to Mrs. Leon Sponer, chairman.

Local GOC members called upon to serve during the alert included Mr. and Mrs. Malcolm Millar, Mr. and Mrs. Ed Carver, D. W. Cunningham, Pat Elliott, Mrs. Edgar Wilder, Mrs. James H. Wilson, Mrs. Leo Maxwell and Mrs. Sponer.

*Uncle Sam made the bonds you own  
an even better bargain!*

# Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25¢ a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,860.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid  
your interest as current income—  
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months; ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

## New V8, Complete Re-styling Mark Chevrolets

Chevrolet's announcement of a complete styling transformation in 1955 models is verified by this view of the Bel Air sport coupe. Re-engineered from the tires up, the new models offer improvements in every phase of motoring. Power, suspension, steering, visibility, comfort, safety have all been advanced in what the company credits as the most sensational model in its history. A new V8 engine of 162 horsepower is a feature. The luxuriously two-toned interiors are color-keyed with the exterior. The windshield sweeps gracefully around to vertical corner pillars giving greater visibility.

## Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The County Commission and the Civil Air Patrol this week reached a tentative agreement for the joint use of airport facilities at Lantana—the airport that now handles move of the private aircraft landing in this area.

A lease agreement for use of present office facilities at the base and future use of a plot of land on the east side of the field, is being worked out this week between CAP officers and county officials.

Under terms of an agreement set out Monday by the commission, the CAP will share office facilities of the administration building and will vacate these temporary quarters by October 1 of next year.

Meantime, the county commission will take over operation of the administration building for use by the public and visiting airmen and will take immediate steps to improve landing lights and other facilities in order that the Lantana field can be used on a 24-hour basis.

Col. Zell Altman, CAP commander, said the agreement met the needs of his organization.

The commission instructed County Engineer Steve Middleton to survey all landing lights at the base, preparatory to calling for bids for bringing the runway lights up to aviation standards. The lights are not being used.

The commission learned this week that the State Supreme Court had upheld a circuit court decision in which the commission was given the authority to establish operating hours, for liquor stores and bars. The suit was brought by Mrs. George Makos, Glades liquor store operator, who challenged the county's right to establish hours.

In connection with the case, Commissioner Paul Rardin, asked the State Beverage Dept. to be contacted to determine what hours of operation are now being enforced in the Glades. Rardin said that hours of operation differed in South Bay, Belle Glade and Pahokee.

In another action this week, the commission authorized Middleton and members of the board, to go to Washington D. C. to obtain information needed in the study of the county's beach erosion problem and proposed construction of a sand transfer station across the Palm Beach Inlet.

The commission also:

Granted a bid for operation of the Phipps Park concession to Leo Brown on his offer of a seven percent return to the county.

Approved a right of way settlement for two parcels needed for widening State Road 80—one for \$4,125 and another for some \$18,000 which included reconstruction of a service station now located in the right of way. In connection with

the State Road 80 project, the board signed a right of way agreement with the State Road Department for lands between Military Trail and Parker Ave., in West Palm Beach—the first leg of the widening project.

The board received a letter from Harold Gordon, president of the Palm Beach Findlers Association seeking information on a move by sports fishermen to restrict the activities of spear fishermen. The commission has scheduled a meeting this week with state game and fish officials to study methods of enforcing game and fish laws and to determine what part the county commission might be expected to play in such action.

## Mrs. Schoepel Takes Leave Of Absence

Mrs. Mildred Schoepel has asked for a six-months' leave of absence from the Palm Beach County Welfare Department, according to Dr. W. E. VanLandingham, county physician. For several months Mrs. Schoepel has been suffering from extremely high blood pressure and she and her doctor believe that a complete rest will restore her health. Her leave of absence has been granted as of November 1.

For nearly six years Mrs. Schoepel has served the western section of Palm Beach County as county welfare worker, making visits into every section of the farming region. She has rendered an outstanding service to the citizens of this area and her many friends wish for her speedy recovery.

Mrs. Raymond Taylor of Pahokee has been named by the welfare department to replace Mrs. Schoepel. Mrs. Taylor will maintain office hours along the same line used by Mrs. Schoepel.

## J. Tom Watson Died Suddenly October 25

J. Tom Watson, republican candidate for governor of Florida, post he twice sought as a Democrat—died suddenly Sunday. He was 68.

Watson, one-time Democratic state attorney general, was stricken at his home and died shortly after being taken to a hospital.

His physician, Dr. Theodore Grable, said Watson died of "complications of a heart condition." The Republican candidate suffered a slight "stroke" several weeks ago but had recovered sufficiently to make campaign speeches last week.

## Wildlife Tours Have Holland's Backing

WASHINGTON — Recognizing the importance and value of wildlife tours in Florida conducted under the auspices of the National Audubon Society, U. S. Senator Spessard L. Holland is backing an effort to secure permission for a continuation of these tours.

Holland said he understands the Society has been experiencing difficulty in securing permission and said he felt it would be a mistake to discontinue them especially in the Lake Okeechobee area.

In a letter to Jerry Carter of the Florida Railroad and Public Utilities Commission, Holland urged the Commission to grant permission to the Society for an extension of permit.

## Grandma Contest Is Set For Sarasota

SARASOTA.—The "grandma who looks most like a granddaughter" has been invited to be a judge in the "Most Glamorous Grandma Contest" which will be a feature of the Fourth Annual Florida Mobile Home Exposition here, Nov. 26-28.

Marlene Dietrich, now appearing in a Las Vegas, Nev., night club, has been asked by Show Director Ricky Buccino to help select the "most glamorous grandma" from Florida's 1,100 trailer parks.

Open to the public free of charge, the Exposition has become a traditional highlight of Florida's winter season. The annual event is sponsored by Florida Mobile Homes Association, statewide organization of trailer park owners, dealers and suppliers.

Site of this year's Exposition will be Sarasota's air-conditioned Municipal Auditorium. Over \$500,000 worth of new and shiny house trailers will be arrayed outside the building, and inside will be found a colorful display of the latest in parts, accessories and supplies for mobile homes.

The Glamorous Grandma Contest was originated this year in recognition of the increasing number of retired couples who have come to Florida to live in mobile homes.

Another annual event, the Trailers Park Queen Contest, is open to all girls over 17 who live in a Florida trailer park.

Beautiful trophies and an all-expense tour to Havana, Cuba, are among the prizes offered the winners of the two contests.

Candidates for either title may enter the contest by sending their name, address, age and a good photograph of themselves to Trailers News, Coral Gables, Fla.

## Shower And Party For Bride - Elect

The Pahokee Woman's Club building was the scene Tuesday night of a party and shower in compliment of Miss Bernice Pearce, bride elect of Joel Moody of West Palm Beach.

Hostesses for the occasion were Mrs. Robert O. Lampi, Mrs. E. M. Schultz, Sr., Mrs. Otis Allen, Mrs. Glynn Carr, Mrs. Bobbie Olson, Mrs. E. R. Upthegrove and Mrs. Lula Ryalas.

Mrs. H. C. Graham presented the program of entertainment. Contest prizes were won by Mrs. J. S. Barwick, Mrs. Louis Mims, Mrs. Roy Stamps and Miss Elaine Weeks.

### SGT. CHANEY GRADUATES

CAMP GORDON, GA.—Sgt. Ralph H. Chaney of Pahokee, Florida, will graduate this week from the Message Center Procedure Course, one of the many courses offered at The Southeastern Signal School, Camp Gordon, Georgia. He is the son of Mrs. Cassie Chaney.

Mr. and Mrs. Lester Duncan were weekend guests of friends in Pompano Beach.

## Resolution Marks Tom Watson Passing

A resolution of condolence in the death of J. Tom Watson, former state attorney general, was adopted Monday by the County Commission.

The resolution, proposed by Commissioner Paul Rardin, Canal Point, called attention to Watson's years of service to the state and for his leadership in both the Democratic and Republican parties in Florida.

Rardin remarked that Mr. Watson, during most of his political career, had "served his state well—he was a great American." He said that Mr. Watson, who had served two terms as a Democratic attorney general, "had seen fit to change his politics—the right of every American."

Watson, who died this week, was the Republican candidate for governor at the coming November election.

Copies of the resolution will be spread on the minutes of the county commission and will be forwarded to Watson's family, including J. Tom Watson, Jr., former member of Bella Glade and a missionary to the Far East, who is in Fort Lauderdale for a year.

## Sims - Weeks

Miss Velma Margaret Sims, daughter of Mr. and Mrs. Martin L. Sims of Miami, became the bride of Robert Guilford Weeks, son of Mr. and Mrs. J. G. Weeks of Canal Point, in a candlelight ceremony held at the Central Baptist Church, Miami, Saturday, Oct. 16, at 8 p.m., with the Rev. C. Roy Angell officiating.

The bride wore a white antique shantung gown with a lace jacket and her elbow-length veil was attached to a tiara of iridescent sequins. She carried a white orchid on white Bible.

Miss Juanita Sims of Miami was her sister's only attendant and Jacob Weeks of Canal Point served as his brother's best man. Cecil H. Evans and John W. Harlee were ushers.

Following a wedding tour of Florida, Mr. and Mrs. Weeks will make their home at 400 NW 34th St., in Miami where he is employed in the offices of the Florida Power and Light Company.

## Laymen's Day Is Observed By Church

Annual laymen's day was observed at the Pahokee First Methodist Church Sunday during the morning worship service when John Dulany, charge layman leader, and other laymen of the church, O. B. McClellan, Robert J. Schröder, Robert B. Simonson and Lloyd Hundley who attended the Florida Methodist Laymen's Conference at Leesburg Oct. 15-17, gave talks relating to the activities at the conference.

The group also gave praise to the church's Vesper Choir of teenage voices which sang at the conference Oct. 16.

## Sorority Holds A Secret Sister Party

Members of the Beta Omicron Chapter of the Beta Sigma Phi Sorority held a secret sister revealing party at the home of Mrs. T. W. Knight recently, with Mrs. D. W. Cunningham assisting as co-hostess. The names of those who have served as secret sisters to others in the sorority were made known at the party and gifts were exchanged.

A program on "Prose Literature" was presented by Mrs. Mary Chastain. It was voted in lieu of the regular meeting Nov. 4, chapter members as a body will visit the Norton Art Gallery at West Palm Beach.

Marta Jean and Sharon Heldt, daughters of Sgt. and Mrs. Arnold Heldt of Canal Point, are at home after tonsillectomies at the PBAF base hospital in West Palm Beach. They are recuperating nicely.

## Seek State Census By Florida Cabinet

The county commission this week asked the Florida cabinet to take immediate steps to conduct a statewide census and have the task completed before the next legislative session.

Commission action came after State Sen. Russell O. Morrow appeared before the board to urge immediate steps for counting county residents in order that the information would be available for the coming legislative session.

Motion to petition the State for a census was made by Commissioner Paul Rardin, Canal Point, a former legislator, and now chairman of the Legislative Committee of the Florida State Association of County Commissioners.

Sen. Morrow told the commission that census now is "vitally important" since much of the state legislation is based on population, particularly statutes which determine county refunds of state tax money.

Sen. Morrow told the commission that state laws which provided for a state census five years after each federal census, has been abandoned by the state as an economy measure.

The rapid growth of Florida now shows that the census act should not have been abolished, Sen. Morrow said, as a rapid growth now makes the last federal census far out of date.

Broward and Leon county's have already made plans to take a county-wide census and Sen. Morrow urged that Palm Beach County take the same action if a request for a state-wide census is turned down.

Sen. Morrow told the commission "you cannot pass equitable legislation unless you have an accurate census."

He told the commission that he believed the state cabinet would be able to find funds for the census if someone pointed out the urgent need for such a count.

### IN MEMORIAM

Whereas, It has pleased the Grand Master of the Universe in his infinite wisdom to remove from among us our esteemed friend and Brother.

#### ROBERT EARL WOLFE

Whereas, We feel that by his demise we suffer the loss of a faithful member of our fraternity and the community an honored and upright citizen, one who was beloved by all who knew him.

Be it Resolved, That for the purity of his life, the cheerfulness of his presence, the uprightness of his charge layman leader, and other laymen of the church, O. B. McClellan, Robert J. Schröder, Robert B. Simonson and Lloyd Hundley who attended the Florida Methodist Laymen's Conference at Leesburg Oct. 15-17, gave talks relating to the activities at the conference.

The group also gave praise to the church's Vesper Choir of teenage voices which sang at the conference Oct. 16.

Resolved, That while we mourn for him as a friend and brother our sorrow is lessened by the knowledge of his well spent life which presages his triumph over death, and we are lead to exclaim Blessed are the dead who die in the Lord.

Resolved, That we, the officers and members of this lodge, extend our most heartfelt sympathy to the immediate relatives and friends in their great sorrow over the departure of a life so useful and commend them to him who doeth all things well.

Resolved, That these Resolutions be placed on the records of the Lodge and a copy presented to the surviving relatives of our deceased Brother.

Given under our hands and seal of Everglades Lodge No. 211 F. & A. M. this 19th day of October A. D. 1954, A. L. 5934.

Alton W. Jones, Worshipful Master.

S. J. Baggett, Secretary.

## Christian Science Group Of Canal Point

How God's infinite love for man redeems man from sin by destroying sin and revealing man's divine, sinless nature, will be explained at Christian Science services Sunday. The Lesson-Sermon is entitled "Everlasting Punishment."

Among the passages from the Bible will be read the story of the Prodigal Son, including his forgiveness and his welcome back to his father's house, as told in Chapter 15 of Luke's gospel.

The following selection on the overcoming of sin will be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (327: 9-13):

"Evil is sometimes a man's highest conception of right, until his grasp on good grows stronger. Then he loses pleasure in wickedness, and it becomes his torment. The way to escape the misery of sin is to cease sinning. There is no other way."

The Golden Text is from Psalms (130:7): "Let Israel hope in the Lord; for with the Lord there is mercy, and with him is plenteous redemption."

## Youth Groups Hold Separate Meetings

All of the youth auxiliaries of the Pahokee First Baptist Church, at separate meetings on Monday and Tuesday, voted to prepare Thanksgiving baskets of food for local needy families at their community mission project for November.

## WHICH ONE DO YOU WANT?

*you can have your dream house—this easy way!*

A dream? Not at all. Thousands of people with modest incomes have been able to save the down payment, or the whole price, of the home of their dreams—because they invested in U. S. Savings Bonds on the Payroll Savings Plan. Look at the chart on this page. See how you can accumulate enough money for the down payment on a home. Or enough for your children's college education or a retirement income. *And by saving only a few dollars a week, too.*

The answer is that you save *systematically* on the Payroll Savings Plan. All *you* have to do is tell your pay office how much you've decided to save each payday (it can be as little as a couple of dollars). After that your money is saved for you, *before* you get your salary. Then each time enough has accumulated, it is invested in a Bond, and the Board turned over to you:

And remember—your U. S. Savings Bonds now will bring you an average of 3% interest, compounded semiannually, for 19 years and 8 months. That's why the money you put into Bonds now grows to such a surprisingly big sum:

Why don't you start—today? Sign, where you work, for the Payroll Savings Plan. Or, if you're self-employed, have your banker enroll you in the Bond-A-Month Plan. It's as easy as the Payroll Savings Plan:

*How you can reach your savings goal

Pell reports two of his halfbacks Pat Turbeville and Jerry Roberts and Max Beverly, defensive end, are nursing injuries this week and will see only limited action tonight, if at all. On the brighter side the Blue Devils' powerful Halfback Hal Rosenberg, inactive last week because of injuries, is again in the regular line-up. Pell plans to start John Williams at left half instead of Turbeville and Rosenberg will be at right half position. Otherwise he is making no changes from last week's starting lineup.

The Pahokee coach was pleased with the work of Center Jim Hoyle and Tackle Tom Elliott in practice sessions this week and expects these two men to show up well in the Blue Devils defenses tonight.

If the weather permits a capacity crowd is expected to see the conference game of the week of Lair Field tonight and the bands of the two schools are planning a colorful show for the halftime period.

**Pahokee Cub Scout Work Is Under Way**

The reactivation of the Cub Scout Program in Pahokee officially got under way Saturday with the registration of 21 boys, from 8 to 11 years old, at the Cub Scout hut, 134 Bacon Point Road, during the morning between 9 and 11 a. m., according to Mrs. E. J. Graham who has spearheaded the movement to get an active Cub Scout program started in Pahokee this fall.

The registration of the cubs followed an intensive period of preparation for the past few weeks during which it was necessary to find a suitable building for use as a meeting place and other activities; also to get a group of parents with children of Cub Scout age to willingly volunteer their services in the program. The 10 by 30-foot building at 134 Bacon Point Road, which was donated for Cub Scout use, had to have a new roof covering and part of it had to have a new concrete floor. The Pahokee Parent-Teacher Association, sponsor of the Cub Scouts, contributed \$30 for

the remodeling and repair of the building. A group of boys, eager to get started in the scouting program, worked during the afternoons for a week and all day Saturday cleaning up the grounds surrounding the hut. Den dads assisted with some of the heavier repair work such as laying the concrete floor.

William Weathers, neighborhood Cub Scout commissioner, together with Cubmasters Frank Gillis, W. K. (Hank) Aldridge and Jack Phillips are now busy organizing dens and will assign two den mothers, two den dads and a Boy Scout den chief to each of the six dens being planned.

Among those who have volunteered to serve on the pack committee are R. B. Simonson, A. E. Early, J. M. Elliott, D. W. Cunningham, Jack Pepper, Webb Pell, William Howard, E. L. Pope, Louis Mims, Howard Holman, Robert Apelgren, Dr. E. J. Graham, Earl Crossman, E. R. Wagner, Herman Kautz, Sam Berry, Duncan Padgett, and Mrs. J. M. Elliott. Some of these will also serve as den dads.

Among the den mothers will be Mrs. Webb Pell, Mrs. Norman Kennedy, Mrs. R. B. Simonson, Mrs.

E. H. Walston, Mrs. J. T. Boynton, Mrs. Jack Phillips, Mrs. T. W. Knight, Mrs. D. W. Cunningham, Mrs. E. L. Pope, Mrs. Edgar Wilder, Mrs. Jimmy Thomas, Mrs. Louis Mims, Mrs. E. R. Wagner and Mrs. E. J. Graham.

Among the crafts that will be taught to the cubs in the tentative program will be woodworking, leathercraft, printing, ceramics and ham radio instruction. The pack is now sponsoring the sale of Pahokee High School Blue Devil earnings, key chains, barrettes and football game novelties in the school colors of blue and white. It is sponsoring a Ferris wheel, photography and balloons at the PTA Halloween carnival Saturday night and is co-sponsor with the Senior Class of a water show at the carnival.

It is the goal of the adults behind the Pahokee Cub Scout program that it will be self-supporting by next fall. In the meantime the public is asked to give its full support to the program that the younger boys may be encouraged to develop their initiative and sense of responsibility to their community through the ideals taught in Cub Scouting in preparation for the wider Boy Scout program that follows.

**CUB SCOUT OFFICIALS**

A meeting of Pahokee cub scout officials will be held at the home of Dr. and Mrs. E. J. Graham, 134 Bacon Point Road, Monday at 8 p. m. to complete the organization and reactivation of Cub Pack 23.

Low... and behold!

# The motoramic Chevrolet for '55

Chevrolet and General Motors took a whole new look at the low-cost car

—and just look what happened! **NOW BEING SHOWN!**

The Bel Air Sport Coupe—one of 14 new Fisher Body beauties in three new series.

### The valve-in-head V8 as only the valve-in-head leader can build it!

# 8

Now Chevrolet introduces the "Turbo-Fire V8"! High horsepower (162), high-compression (8 to 1), high performance and surprisingly high gas mileage! Available with standard transmission, or with the extra-cost options of Overdrive or Powerglide.

# 6

You can choose from  
two new sixes, too!

The last word in six-cylinder performance! New "Blue-Flame 136" teamed with Powerglide and a new "Blue-Flame 123" with standard transmission or Overdrive.

Now Chevrolet and General Motors have come up with a completely new idea: to build a car that offers the very newest styling, the most modern features, and the finest performance. It's something that took a lot of doing and that only the world's leading car builders could do. Everything's new in this Motoramic Chevrolet from its lower top right down to its tubeless tires. Come see it!
